

PREMEASURED SOLUTIONS
FOR THE ENTIRE FACILITY

Dispenser-Free Control Systems™

Since 1964, Stearns Packaging Corporation has been the foremost provider of premeasured liquid and powder cleaning systems for the janitorial and institutional markets.

Our record of innovation has revolutionized the cleaning industry, with packaging technology and premeasured cleaning products that eliminate the complexity and wasteful over-mixing associated with gallons, pails, and drums.

Today, this simple yet unprecedented idea has grown into a complete line of more than 60 premeasured products. The One Packs™ line of liquid and powder concentrates

are premeasured packages specially designed for spray bottles, buckets, and solution tanks. To complement One Packs™, Stearns has also developed Water Flakes® and Quart'r Packs® water-soluble powder packets.

Together, these products have helped our customers save untold amounts of time and money by reducing waste, simplifying training, and doing a better job faster – the solution for worker productivity and consistent results.

ONE PACKS™

» The Next Generation of Dispenser-Free Control Systems

Stearns One Packs™ are a comprehensive line of more than 60 professional-grade cleaning liquids and powders, innovatively packaged in premeasured packs. Precise measuring guarantees accurate-strength solutions every time, maximizing cleaning performance while saving you time and money.

Traditional dispenser machines may accurately mix concentrates, but they are prone to fail, complicated to operate, and they force workers to waste time returning to the supply closet to refill buckets and bottles. Dispenser-free One Packs™ have no moving parts or plumbing to break down, require almost no training, and are uniquely portable – allowing your staff to accurately mix anywhere in the facility.

Switching your operation over to One Packs™ couldn't be easier: there is no costly equipment to install, no special training, and no fixed water hook-ups required. In fact, with One Packs™, you can eliminate solution centers completely – saving valuable space in custodial closets.

Don't limit your staff's effectiveness with outdated equipment and methods when the next generation of dispenser-free control is just a phone call away with Stearns One Packs™.

*One pack per bottle or bucket,
one trip to the supply area. No
hardware. No plumbing. No problems.
That's the Stearns One Packs™ promise.*

Simplify Distribution

With the One Packs™ Express program, top-performing cleaners are specially packaged to include 10 packs of a single premeasured product per carton, packaged 10 cartons per case. The handy 10-packs simplify distribution to:

- Remote sites
- Franchises
- Mobile crews
- Multi-store locations
- Multi-building campuses
- Facilities with limited custodial storage

ONE PACKS

Dispenser-Free Control Systems®

» Certified Environmentally Preferred Products*

Introducing a special line of Stearns One Packs™ products in source-reduced packaging, and Green Seal Certified to clean your entire facility with minimal environmental impact. These products are formulated to meet the stringent standards of Green Seal GS-37 and conform to the California Air Resources Board maximum allowable VOC levels.

The US Green Building Council, the EPA, and other organizations are requiring cleaning operations to use green chemistry, reduce packaging waste, and focus on sustainable cleaning programs that reduce the impact on our environment and health while improving worker safety.

GS Extra-Strength Cleaner Concentrate

A heavy-duty all-purpose cleaner and degreaser for superior penetration and removal of greasy soils. Cleans safely without hazardous fumes and harmful by-products. Ideal for use on all surfaces.

GS Neutral Cleaner Concentrate

A mild pH-neutral cleaner designed for mopping all types of floors and cleaning washable surfaces. Contains no caustic, abrasive, or harsh ingredients to mar fine floor finishes. Leaves surfaces sparkling clean without film or streaks.

GS Restroom & Bowl Cleaner Concentrate

Non-corrosive and free of harmful acids. It cleans toilet bowls, urinals, tile walls, tubs, and sinks with ease and safety. Breaks down and removes daily accumulations of soils, limescale, and urinary salts with its high foaming action. Fresh clean fragrance.

GS Window Cleaner Concentrate

A super-concentrated window cleaner that leaves glass, stainless steel, and other hard surfaces free of streaks, soils, smudges, and grease. Formulated without solvents, glycol ethers, or ammonia. Contains no VOCs and is safe on plastics.

**These products meet the Green Seal™ Standard GS-37 based on effective performance, concentration of product, minimized/recycled packaging, and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.*

Environmental Impact Statement

For more than forty years, the concept of premeasured products with reduced packaging, accurate measurement, and safe formulations has been the cornerstone of Stearns' product philosophy. It is our objective to help our customers meet their goals by focusing on the principles of environmental sustainability. In cooperation with government and environmental agencies, our ongoing evaluation of formulations and packaging technology ensures quality performance while reducing environmental impact.

5-POINT DAILY CLEANING SYSTEMS

» Premeasured Solutions for the Entire Facility

Your time is short. Your budget is limited. Clean it quickly and inexpensively with the staff you have.

The 5-Point Daily Cleaning System from Stearns provides you with the five ideal One Packs™ products to efficiently complete daily cleaning tasks for your whole facility, including restrooms. The 5-Point Daily Cleaning System simplifies the entire process, delivering the enhanced training, portion control, and color-coded accessories you need for success.

Standardize your communication about safety, usage, and correct application with the color-coded wall chart (page 5) that matches the best

dispenser-free One Packs™ products with your facility's unique demands. Select the One Packs™ Green Seal option for Chemical Management System compliance and Leadership in Energy and Environmental Design (LEED) credit.

The simplicity and performance of One Packs™ makes the 5-Point Daily Cleaning System the easiest program on the market to introduce into your facility. A qualified Stearns representative can help you choose the right 5-Point Daily Cleaning System for you.

Go Dispenser-Free Now!

Get your cleaning staff started right with Stearns' #2390201 GS 5-Point Green Cleaning System Starter Kit. Packed with environmentally preferred products*, the kit simplifies the transition to the consistent results of One Packs™.

Kits are available in both Green Seal Certified and conventional formulations. Or, customize a kit to fit your facility's needs.

Take the next step. Contact a qualified Stearns representative today, and get started!

Each #2390201 Kit Includes:

- 10 packs each of:
 - #2369029 Mark 11 Disinfectant Cleaner*
 - #23085300 GS Extra-Strength Cleaner Concentrate
 - #2385102 GS Restroom & Bowl Cleaner Concentrate
 - #2384006 GS Window Cleaner Concentrate
- 30 packs of:
 - #2384600 GS Neutral Cleaner Concentrate

Kit Also Includes:

- 4 silk-screened bottles with sprayers
- Safety Data Sheets
- GS 5-Point Training and Safety Guide
- 2 pack openers
- 1 mixing hose

* Mark 11 Disinfectant Cleaner is not Green Seal Certified. Per GS-42, Green Seal Standard for Cleaning Services, disinfectant products are not required to be environmentally preferred, but must be registered by the United States Environmental Protection Agency
 • Product part numbers have changed; New Part Numbers include # and the Old Part Numbers are indicated in ()'s.

» Inventory Control System (ICS)

Inventory Control System Rack #2900006

GS Extra-Strength Cleaner Concentrate

For heavily soiled or oily surfaces, washable surfaces, countertops, tables, walls, and vinyl furniture.

Mark 11 Disinfectant Cleaner*

For light to medium soiled surfaces, washroom fixtures, countertops, toilet bowls, stainless steel, drinking fountains, mirrors, painted walls, phones, ashtrays, and garbage cans.

GS Neutral Cleaner Concentrate

For lightly soiled hard floors, including marble, terrazzo, asphalt tile, ceramic tile, granite, synthetic floors, poured surfaces, concrete, and linoleum. Safe for fine floor finishes.

GS Restroom & Bowl Cleaner Concentrate

For toilet bowls, urinals, shower walls, tubs, and sinks.

GS Window Cleaner Concentrate

For glass, windows, mirrors, and stainless steel.

5-Point Daily Cleaning System

Standardize your communication about safety, usage, and correct application with the Stearns 5-Point Daily Cleaning wall chart that matches the best dispenser-free One Packs™ product with your facility's unique demands. Wall charts are customizable to fit every facility manager's needs. Visual icons promote consistent results while reducing training time.

* Mark 11 Disinfectant Cleaner is not Green Seal Certified. Per GS-42, Green Seal Standard for Cleaning Services, disinfectant products are not required to be environmentally preferred, but must be registered by the United States Environmental Protection Agency.

WATER FLAKES®

» Quick and Simple Water-Soluble Packets

Some cleaning products are delivered and stored more efficiently as powders instead of liquids. To complement our innovative One Packs™ premeasured system for liquids, Stearns has developed the revolutionary Water Flakes® water-soluble packets for powder concentrates.

Water Flakes® are exact portions of powdered cleaning concentrates, packaged in a water-soluble film that dissolves quickly in water. Just toss one into a sink, toilet bowl, or bucket of water, and you have the perfect-strength solution in seconds – without measuring, pouring, or even opening any packages.

Water Flakes® give you the same great advantages as One Packs™ – no waste, no confusion, and point-of-use mixing without dispensing equipment. They are shipped in your choice of lightweight storage tubs or larger-size reusable pails, and are offered in 11 popular formulations:

- All-Purpose Cleaner/Deodorizer
- Bowl Cleaner
- Bug Blitzer®*
- Floor Conditioner and Neutralizer
- Heavy-Duty Cleaner Degreaser*
- Hytron® In Water-Soluble Packets*
- Neutral Cleaner
- Porta-Fresh Holding Tank Deodorant*
- Pot & Pan Detergent
- Powdered Detergent/Disinfectant*
- White Wings® Ultra Laundry Detergent

WATER FLAKES®

Dispenser-Free Control Systems

The U.S. EPA's Safer Choice Program helps consumers, businesses, and institutional buyers identify cleaning and other products that perform well and are safer for people and the environment.

NEW

QUART'R PACKS®

» Water-Soluble Packets for Quarts

Introducing Quart'r Packs®, a quicker and simpler dilution control system for spray-and-wipe cleaning. A complement to our Water Flakes® line, each packet of Quart'r Packs® dilutes with one quart of water.

Containing exact portions of powdered cleaning concentrates, Quart'r Packs® are packaged in water-soluble film. They dissolve quickly in water – no pouring, measuring, or opening packets. Just

drop one Quart'r Packs® packet into one quart of water, and you are on your way to a cleaner and greener facility.

Quart'r Packs® are shipped four small tubs per case. Or, choose one tub and one silk-screened colored bottle per case.

Now available in five formulations:

- Restroom & Bowl Cleaner
- Extra-Strength Cleaner
- Neutral Cleaner
- Window Cleaner
- Powdered Detergent/Disinfectant*

QUART'R PACKS
Dispenser-Free Control Systems®

QUART'R PACKS
EXPRESS®
Dispenser-Free Control Systems®

*Just drop one
Quart'r Packs® packet
into one quart of water, and you are
on your way to a cleaner and greener facility.*

The U.S. EPA's Safer Choice Program helps consumers, businesses, and institutional buyers identify cleaning and other products that perform well and are safer for people and the environment.

See our Product Guide beginning on page 10 for complete Quart'r Packs® product descriptions and ordering information.
*Powdered Detergent/Disinfectant is not a product that meet the Safer Choice Standard.

QUIK TANK

» Inventory Control for Frequent Spray-and-Wipe Cleaning

The Stearns Quik Tank system is the perfect inventory-control solution for frequent spray-and-wipe applications requiring high volumes of cleaning solution. Simply fill the 5-gallon Quik Tank container with water and any of 10 popular Stearns premeasured cleaning concentrates – your staff can easily fill their spray bottles and begin cleaning.

With low initial investment and simplified training, your facility has nothing to lose and everything to gain.

ONE PACKS ICS™

#2385300 - 10 x 10 x 1 fl. oz. per case. One pack makes 1 quart for all-purpose cleaning, 1 gallon for scrubbing, or 2 gallons for mopping.

#2384204 - 10 x 10 x 2 fl. oz. per case. One pack makes 2 gallons for scrubbing, or 4 gallons for mopping.

Use with #2998429 pre-printed spray bottles.

Green Seal Certified

U.S. EPA's Safer Choice Program

NSF Certified Category Code - C1, C2

Extra-Strength Cleaner

Heavy-duty, all-purpose cleaner and degreaser. Non-flammable, non-corrosive, non-toxic, biodegradable, moderate-sudsing industrial cleaner. Removes oils, dirt, grease, grime, tar, rubber marks, ink, coffee, and blood.

ONE PACKS™

#2308732 - 72 x 2 fl. oz. per case. One pack makes 1 quart for all-purpose cleaning, 2 gallons for scrubbing, or 4 gallons for mopping.

#2308749 - 36 x 4 fl. oz. per case. One pack makes 4 gallons for scrubbing and mopping, or 1 quart for heavy-duty cleaning.

Use with #2909142 pre-printed spray bottles.

U.S. EPA's Safer Choice Program

NSF Certified Category Code - C1

Auto-Scrub Floor Cleaner

Low-foaming, concentrated cleaner designed expressly for automatic floor scrubbing equipment. Auto-Scrub leaves floors sparkling clean without film or streaks. Easy-rinsing formula.

ONE PACKS™

#2308794 - 36 x 4 fl. oz. per case. One pack makes 8 gallons.

Auto-Scrub Plus Floor Cleaner

Low-foaming, super concentrated cleaner designed expressly for automatic floor scrubbing equipment. Auto-Scrub leaves floors sparkling clean without film or streaks. Easy-rinsing formula.

ONE PACKS™

#2333045 - 36 x 4 fl. oz. per case. One pack makes 15 gallons.

Bio-Active Plus

No rinse formula. Perfect for institutional kitchens, restaurants, food processing plants, schools, and businesses. Microbially-fortified to remove grease, waste, and odors from floors, surfaces, and drains. Use to mop around urinals and toilets, locker rooms, dumpsters - wherever persistent odors are a problem. Safe to use and safe for the environment.

ONE PACKS™

#2308220 - 72 x 2.5 fl. oz. per case. One pack makes 2 gallons for mopping or 1 quart for spray cleaning.

Multi-Scrub

Our most potent heavy-duty degreaser. Designed for heavy-duty scrubbing on non-wood floors, walls, tables, chairs, counters, equipment, tanks, and other hard, non-porous surfaces. Ideal for removing heavy grease build-up from ovens and fryers.

ONE PACKS™

#2308701 - 72 x 2 fl. oz. per case. One pack makes 4 gallons for mopping or 1 quart for heavy-duty degreasing.

Use with #2999587 pre-printed spray bottles.

TreadMate® Quarry Tile Cleaner

Professional strength formula eliminates slippery floors by removing grease build-up. Safe yet effective combination of glycolic and citric acids and powerful detergents penetrates deep into tile cracks and grout lines. TreadMate™ does not leave a slippery alkaline residue. Use on quarry tile, ceramic tile, concrete, brick, and vinyl floors.

ONE PACKS™

#2308800 - 60 x 2 fl. oz. per case. One pack makes 4 gallons.

Cleaner/Degreaser

A heavy-duty, pine-scented powdered cleaner. Removes grease and stubborn soils with ease. This yellow-orange powder turns a fluorescent yellow-green when dissolved in water. Ideal for concrete floors. Contains TSP.

ONE PACKS™

#2508640 - 72 x 2.5 wt. oz. per case. One pack makes 5 gallons.

PRODUCT GUIDE CONTINUED

All-Purpose Cleaner/Deodorizer

Concentrated, lemon-scented powdered detergent quickly dissolves in water. Use on surfaces ranging from stainless steel and chrome, to porcelain, quarry tile, terrazzo, marble, concrete, ceramics, and painted surfaces.

WATER FLAKES

#2708978 - 2 x 90 x 0.5 wt. oz. per case. One water-soluble packet makes 3 gallons.

#2702259 - 400 x 0.5 wt. oz. per case. One water-soluble packet makes 3 gallons.

U.S. EPA's Safer Choice Program

NSF Certified Category Code - C1

Heavy-Duty Cleaner Degreaser

Highly concentrated formula specially designed for degreasing floors and general spray-and-wipe cleaning. Use to remove grease, dirt, and grime from floors, walls, and a wide variety of other surfaces. Contains sodium metasilicate and butyl.

WATER FLAKES

#2709005 - 2 x 36 x 1.5 wt. oz. per case. One water-soluble packet makes 4 gallons.

FLOOR CARE Specialty

Concept "915" Ice Melt Remover

Removes the white crust of ice melting compound residue. Powerful chelating agents chemically suspend the salt and chloride residues in the mop solution or carpet extractor recovery tank. Leaves floors sparkling clean. Great for carpets too. Pleasant saffras fragrance.

ONE PACKS™

#2308589 - 36 x 5 fl. oz. per case. One pack makes 5 gallons.

FLOOR CARE Neutralizers

Floor Conditioner and Neutralizer

Granular formula neutralizes alkaline residue after floor stripping for better floor finish application and sealing. Counteracts urine odor in restrooms. Use on floors and carpets to remove ice melt residue and brown water spots left by hard water. Eliminates dulling, discoloring, and hazing. Same formula as Water Flakes® Floor Conditioner and Neutralizer.

ONE PACKS™

#2508633 - 72 x 1 wt. oz. per case. One pack makes 6 gallons.

U.S. EPA's Safer Choice Program

NSF Certified Category Code - C1

Floor Conditioner and Neutralizer

Neutralizes alkaline residue after floor stripping for better floor finish application and sealing. Counteracts urine odor in restrooms. Use on floors and carpets to remove ice melt residue and brown water spots left by hard water. Eliminates dulling, discoloring, and hazing. Same formula as #2508633 Floor Conditioner and Neutralizer.

WATER FLAKES

#2708992 - 2 x 90 x 0.5 wt. oz. per case. One water-soluble packet makes 3 gallons.

NSF Certified Category Code - B2, C1

Multi-Scrub

Our most potent heavy-duty degreaser. Designed for heavy-duty scrubbing on non-wood floors, walls, tables, chairs, counters, equipment, tanks, and other hard, non-porous surfaces. Ideal for removing heavy grease build-up from ovens and fryers.

ONE PACKS™

#2308701 - 72 x 2 fl. oz. per case. One pack makes 4 gallons for mopping or 1 quart for heavy-duty degreasing.

Use with #2999587 pre-printed spray bottles.

WINDOWS & STAINLESS STEEL Concentrated Glass Cleaners

GS Window Cleaner Concentrate

Concentrated glass cleaner formulated without solvents, glycol ethers or ammonia. Excellent performance on glass surfaces, windows, mirrors, and stainless steel. Safe on Plexiglas, plastics and contains no VOCs.

ONE PACKS™

#2307209 - 32 x 1.5 fl. oz. per case (includes bottle with trigger sprayer). One pack makes 25.5 oz.

#2384002 - 48 x 2 fl. oz. per case. One pack makes 1 quart.

ONE PACKS™

#2384006 - 10 x 10 x 2 fl. oz. per case. One pack makes 1 quart.

Use with #2998405 pre-printed spray bottles.

QUIK TANK

#2384101 - 6 x 20 fl. oz. packs per case. One pack makes 2.5 gallons.

Use with #2998405 spray bottle and #2908930 5-gallon Quik Tank container.

Green Seal Certified

U.S. EPA's Safer Choice Program

NSF Certified Category Code - A7, C1

Window Cleaner & Stainless Steel Cleaner

Concentrated glass cleaner that leaves surfaces free of streaks, soils, smudges, and grease. Use on glass, mirrors, stainless steel, chrome, porcelain, and lightly soiled surfaces.

ONE PACKS™

#2308572 - 48 x 2 fl. oz. per case. One pack makes 1 quart.

Use with #2909104 pre-printed spray bottles.

QUIK TANK

#2308862 - 6 x 15 fl. oz. packs per case. One pack makes 2.5 gallons.

Use with #2909104 spray bottle and #2908930 5-gallon Quik Tank container.

NSF Certified Category Code - C2

U.S. EPA's Safer Choice Program

NSF Certified Category Code - C2

DISINFECTANTS

Powdered Detergent/Disinfectant

Cleans, disinfects, and deodorizes in a single step. Kills HIV-1 (AIDS virus), Hepatitis B, Hepatitis C, Influenza A viruses including pandemic 2009 H1N1 Influenza A virus, E. coli, Salmonella choleraesuis, and many other pathogens on hard, inanimate surfaces. Fungicidal against Tricophyton Mentagrophytes (Athlete's Foot Fungus). Fresh lemon fragrance. EPA registered. Designed specifically for hospitals, nursing homes, and other institutions.

WATER FLAKES

#2708985 - 2 x 90 x 0.5 wt. oz. per case. One water-soluble packet makes 1 gallon (color-coded white).

#2702266 - 400 x 0.5 wt. oz. per pail. One water-soluble packet makes 1 gallon (color-coded white).

QUART'R PACKS®

#2706902 - 4 x 125 x 3.5 g per case. One packet makes 1 quart for disinfecting (color-coded red).

Use with #2969002 pre-printed spray bottles.

#2706919 - 1 x 125 x 3.5 g per case (includes bottle with trigger sprayer). One packet makes 1 quart for disinfecting (color-coded red).

QUART'R PACKS

#2717643 - 4 x 40 x 3.5 g per case. One packet makes 1 quart for disinfecting (color-coded red).

EPA Reg. No. 11839-938-3640

DISINFECTANTS

256:1

Mark E II One Step Disinfectant, Germicidal Detergent and Deodorant

A phosphate-free formulation designed to provide effective cleaning, deodorizing and disinfection in areas where housekeeping is of prime importance in controlling the hazard of cross-contamination on treated surfaces. Mark E II is for use as a disinfectant on hard, non-porous surfaces at (850 ppm active). Kills 99.9% of any disinfection organism listed on hard, non-porous surfaces. Kills pandemic 2009 H1N1 A Virus, (formerly called swine flu).

ONE PACKS™

#2309012 - 144 x 1 fl. oz. per case. One pack makes 2 gallons.

#2309029 - 72 x 2 fl. oz. per case. One pack makes 4 gallons.

#2309036 - 36 x 4 fl. oz. per case. One pack makes 8 gallons or 64 ounces of stock solution.

Use with #2999570 (pint) and #2909135 (quart) pre-printed spray bottles, plus #2999556 stock solution bottle.

QUICK TANK

#2308886 - 54 x 2.5 fl. oz. per case. One pack makes 5 gallons.

Use with #2909135 spray bottle and #2908930 5-gallon Quik Tank container.

EPA Reg. No. 10324-108-3640

DISINFECTANTS

64:1

Mark 11 Disinfectant Cleaner

A multi-surface cleaner, deodorizer and disinfectant. A phosphate-free formulation, designed to provide effective cleaning, deodorizing and disinfection in areas where housekeeping is of prime importance in controlling the hazard of cross-contamination on treated surfaces. Mark 11 is designed to provide both general cleaning and disinfection. Kills Avian Influenza A Virus H5N1 and influenza A virus H1N1. This product kills Norovirus.

ONE PACKS™

#2309951 - 144 x 0.5 fl. oz. per case. One pack makes 1 quart.

#2309043 - 72 x 2 fl. oz. per case. One pack makes 1 gallon.

#2307384 - 36 x 4 fl. oz. per case. One pack makes 2 gallons.

#2374007 - 10 x 10 x 0.5 fl. oz. per case. One pack makes 1 quart.

Use with #2909166 pre-printed spray bottles.

QUICK TANK

#2308916 - 10 x 10 fl. oz. packs per case. One pack makes 5 gallons.

Use with #2909166 spray bottle and #2908930 5-gallon Quik Tank container.

EPA Reg. No. 10324-154-3640

NSF Certified Category Code - D2

PRODUCT GUIDE CONTINUED

AIR FRESHENER/ODOR CONTROL

Air Freshener

Neutralizes odor in any indoor environment. Spray the fresh-scented solution into the air in restrooms, schools, hospitals, day care centers, nursing homes, and more. Leaves area naturally clean and fresh-smelling. Spray solution on carpets, fabrics, or hard surfaces to attack odors at their source.

ONE PACKS™

#2308831 - 72 x 1 fl. oz. per case. One pack makes 1 quart.
Use with #2909128 pre-printed spray bottles.

QUIK TANK

#2308190 - 10 x 10 fl. oz. per case. One pack makes 2.5 gallons.
Use with #2909128 pre-printed spray bottle and #2908930 5-gallon Quik Tank container.

Bio-Active Plus

Perfect for institutional kitchens, restaurants, food processing plants, schools, and businesses. Microbially-fortified to remove grease, waste, and odors from floors, surfaces, and drains. Use to mop around urinals and toilets, locker rooms, dumpsters - wherever persistent odors are a problem. Safe to use and safe for the environment.

ONE PACKS™

#2308220 - 72 x 2.5 fl. oz. per case. One pack makes 2 gallons for mopping or 1 quart for spray cleaning.

Porta-Fresh Holding Tank Deodorant

Provides powerful odor control for portable and recirculating toilets. Porta-Fresh powder quickly disperses in the holding tank and contains no formaldehyde. Just add the contents of a single pack into the holding tank for long-lasting odor control. Same formula as #2780400 Water Flakes® Porta-Fresh Holding Tank Deodorant.

ONE PACKS™

#2580608 - 48 x 4 wt. oz. per case. One pack per holding tank.

Porta-Fresh Holding Tank Deodorant

Provides powerful odor control for portable and recirculating toilets. Quickly disperses in the holding tank and contains no formaldehyde. Just drop a single water-soluble packet into the holding tank for long-lasting odor control.

WATER FLAKES

#2780400 - 2 x 45 x 1 wt. oz. per case. One water-soluble packet per holding tank.

CARPET Low-Foam Extraction Cleaner

Water Extraction Carpet Cleaner

A low-foaming cleaner for use in water extraction (steam) carpet machines. Gently emulsifies and carries away heavy, greasy soils from carpet fibers.

ONE PACKS™

#2308657 - 72 x 2 fl. oz. per case. One pack makes 4 gallons of water-extracting solution or 1 quart for spot cleaning.
#2308664 - 36 x 5 fl. oz. per case. One pack makes 10 gallons.

CARPET High-Foam Carpet Shampoo

Carpet Shampoo Concentrate

A professional carpet cleaning shampoo for heavily soiled carpets and upholstery. Optical brighteners revitalize faded colors. Produces a dry foam that does not require rinsing. Ideal for rotary machines.

ONE PACKS™

#2308671 - 36 x 5 fl. oz. per case. One pack makes 3 gallons.

CARPET Encapsulating Carpet Formula

FiberNu™ Encapsulating Low-Foaming Carpet Cleaner

Powerful new technology removes greasy dirt from carpets and eliminates the rapid resoiling so common with conventional products. FiberNu's reduced moisture, brittle dry-down, and encapsulating action trap dirt and expedite drying time. Carpeted areas can now be cleaned with minimal inconvenience for occupants. FiberNu's anti-redeposition feature keeps carpets looking fresh longer.

ONE PACKS™

#2308609 - 72 x 2 fl. oz. per case. One pack makes 1 gallon.
#2308616 - 36 x 4 fl. oz. per case. One pack makes 2 gallons.

CARPET Ice-Melt Residue

Concept "915" Ice Melt Remover

Removes the white crust of ice melting compound residue. Powerful chelating agents chemically suspend the salt and chloride residues in the mop solution or carpet extractor recovery tank. Leaves floors sparkling clean. Great for carpets too. Pleasant sassafras fragrance.

ONE PACKS™

#2308589 - 36 x 5 fl. oz. per case. One pack makes 5 gallons.

FOODSERVICE Automatic Dishwashing

Hytron®

Powdered, chlorinated dishwashing compound produces clean, sparkling dishes, glassware, and silverware, and keeps dishes free of spots and water marks. Use in commercial, institutional and residential mechanical dishwashers. Ideal size for guests' use in resort rentals.

ONE PACKS™

#2507056 - 200 x 1 wt. oz. per case. One pack per load.
#2507087 - 84 x 1 wt. oz. per case. One pack per load.

NSF Certified Category Code -A1

Hytron® Auto Dish in Water-Soluble Packets

Hard-working, caustic-free, fully-active detergent for use in household dishwashers. Its potent ingredients emulsify grease and dissolve stains without excessive foam and without spotting or streaking.

WATER FLAKES

#1603420 - 6 x 20 x 18 g per case. One pack per load.

FOODSERVICE Manual Dishwashing

Pot 'N' Pan Cleaner

Thick, long-lasting suds. Easy on the hands. Removes grease and cooked-on foods from dishes, pots, pans, utensils, flatware, and food service equipment.

ONE PACKS™

#2307544 - 100 x 1.5 fl. oz. per case. One pack makes 7.5 gallons.
#2307810 - 72 x 2 fl. oz. per case. One pack makes 10-12 gallons.
#2307827 - 36 x 4 fl. oz. per case. One pack makes 20-25 gallons.
Use with #2997828 pre-printed bottle with spout cap.

NSF Certified Category Code - A1

Pot & Pan Detergent

Concentrated manual dishwashing powder with long-lasting suds. Dissolves quickly and completely. Removes grease and cooked-on foods from dishes, pots, pans, utensils, flatware, glassware, and foodservice equipment.

WATER FLAKES

#2709319 - 2 x 90 x 0.5 wt. oz. per case. One water-soluble packet makes 5 gallons.

U.S. EPA's Safer Choice Program

FOODSERVICE Sanitizers

Steramine®

An effective one-step non food contact sanitizer and cleaner on hard, non-porous, non-food contact surfaces. Formulated to sanitize on hard, non-porous surfaces such as: dishes, glassware, silverware, cooking utensils and other similar size food processing equipment. For use in restaurants, food handling and process areas, bars and institutional kitchens.

ONE PACKS™

#2376700 - 100 x 0.75 fl. oz. per case. One pack makes 3 gallons.
#2307223 - 144 x 1 fl. oz. per case. One pack makes 4 gallons for sanitizing.
#2307230 - 72 x 2 fl. oz. per case. One pack makes 8 gallons for sanitizing.
#2307186 - 36 x 4 fl. oz. per case. One pack makes 16 gallons for sanitizing or 64 ounce stock solution.
Use with #2999594 pre-printed spray bottles, #2999563 stock solution bottle, and #2999617 Sanitizer/Disinfectant bucket.

EPA Reg. No. 10324-63-3640

PRODUCT GUIDE CONTINUED

Sanitergent™ Cleaner/Sanitizer

Cleans and sanitizes in one procedure. For use on hard (nonporous) surfaces or on dishes, glasses, food processing equipment, or utensils. Effective on table tops, tanks, vats, floors, walls, dishes, glasses, and milkshake and soft serve machines. Provides 100 ppm active chlorine.

ONE PACKS™

#2507629 - 50 x 1.0 wt. oz. per case. One pack per 2-1/2 gallons of water.

#2507643 - 100 x 0.1 wt. oz. per case. One pack per 32 ounces of water.

EPA Reg. No. 10634-27-3640

FOODSERVICE Degreasers

Extra-Strength Cleaner

Heavy-duty, all-purpose cleaner and degreaser. Non-flammable, non-corrosive, non-toxic, biodegradable, moderate-sudsing industrial cleaner. Removes oils, dirt, grease, grime, tar, rubber marks, ink, coffee, and blood.

ONE PACKS™

#2308732 - 72 x 2 fl. oz. per case. One pack makes 1 quart for all-purpose cleaning, 2 gallons for scrubbing, or 4 gallons for mopping.

#2308749 - 36 x 4 fl. oz. per case. One pack makes 4 gallons for scrubbing and mopping, or 1 quart for heavy-duty cleaning.

Use with #2909142 pre-printed spray bottles.

Multi-Scrub

Heavy-duty degreaser. Designed for heavy-duty scrubbing on non-wood floors, walls, tables, chairs, counters, equipment, tanks, and other hard, non-porous surfaces. Ideal for removing heavy grease build-up.

ONE PACKS™

#2308701 - 72 x 2 fl. oz. per case. One pack makes 4 gallons for mopping or 1 quart for heavy-duty degreasing.

Use with #2999587 pre-printed spray bottles.

Bio-Active Plus

Perfect for institutional kitchens, restaurants, food processing plants, schools, and businesses. Microbially-fortified to remove grease, waste, and odors from floors, surfaces, and drains. Use to mop around urinals and toilets, locker rooms, dumpsters - wherever persistent odors are a problem. Safe to use and safe for the environment.

ONE PACKS™

#2308220 - 72 x 2.5 fl. oz. per case. One pack makes 2 gallons for mopping or 1 quart for spray cleaning.

TreadMate® Quarry Tile Cleaner

Professional strength formula eliminates slippery floors by removing grease build-up. Safe yet effective combination of glycolic and citric acids and powerful detergents penetrates deep into tile cracks and grout lines. TreadMate™ does not leave a slippery alkaline residue. Use on quarry tile, ceramic tile, concrete, brick, and vinyl floors.

ONE PACKS™

#2308800 - 60 x 2 fl. oz. per case. One pack makes 4 gallons.

Heavy-Duty Cleaner Degreaser

Highly-concentrated formula specially designed for degreasing floors, and general spray-and-wipe cleaning. Use to remove grease, dirt, and grime from floors, walls, and a wide variety of other surfaces. Contains sodium metasilicate and butyl.

WATER FLAKES

#2709005 - 2 x 36 x 1.5 wt. oz. per case. One water-soluble packet makes 4 gallons.

Extra-Strength Cleaner

Heavy-duty, all-purpose cleaner and degreaser. Non-flammable, non-corrosive, non-toxic, biodegradable, moderate-sudsing industrial cleaner. Removes oils, dirt, grease, grime, tar, rubber marks, ink, coffee, and blood.

QUART'R PACKS®

#2706803 - 4 x 80 x 3.5 g per case. One packet makes 1 quart for all-purpose cleaning.

Use with #2968005 pre-printed spray bottles.

#2706810 - 1 x 80 x 3.5 g per case (includes bottle with trigger sprayer). One packet makes 1 quart for all-purpose cleaning.

FOODSERVICE Specialty Cleaners

Coffee Cleaner

Granular concentrate removes coffee stains and build-up from coffee makers and coffee pots. Safe to use on glass, plastic, and all metal surfaces. Coffee Cleaner is ideal for hotel guest room or convenience store coffee makers and coffee pots. After cleaning hotel in-room coffee pots, sanitize with Steramine #2307186 and the #2999563 Stock Solution bottle.

ONE PACKS™

#2508084 - 100 x 0.25 wt. oz. per case. One pack per coffee pot.

GrillMate®

Glycerin-based grill or griddle cleaner for use in institutions and commercial kitchens. Fast acting formula easily removes grease and build-up. Non-flammable and safe to use on hot surfaces — no need to shut down the grill.

ONE PACKS™

#2307865 - 48 x 3 fl. oz. per case. One pack per grill.

BAR-MASTER® PROGRAM Bar Glass Sanitization Program

High Suds Bar Glass Cleaner

Specifically formulated to clean glassware. For use with manual brushes and when washing glasses by hand.

#2576502 - 100 x 0.5 wt. oz. per case. One pack makes 3 gallons.

#2508552 - 2 x 4 lbs. per case. 1/2 scoop makes 3 gallons.

Low Suds Bar Glass Cleaner

Minimal sudsing with excellent rinsing ability. For use with electric brushes.

#2576601 - 100 x 0.5 wt. oz. per case. One pack makes 3 gallons.

#2508569 - 2 x 4 lbs. per case. 1/2 scoop makes 3 gallons.

Powdered D-Lime-X

Conditions hard water to prevent water spots on glassware and utensils. Add to the first and last sinks for more effective cleaning and sanitizing.

#2576809 - 100 x 0.5 wt. oz. per case. One pack makes 6 gallons.

Steramine® Sanitizer

Sanitizes glassware and utensils. No potable rinse is allowed after sanitizing. Air dry only.

#2376700 - 100 x 0.75 fl. oz. per case. One pack makes 3 gallons.

EPA Reg. No. 10324-63-3640

LAUNDRY Detergents

Brisk® Advanced Formula Laundry Detergent

Brilliant whites and colors, wash after wash. Phosphate-free, controlled suds, concentrated liquid formula that works well in hard or soft water and all water temperatures. Biodegradable and septic safe.

ONE PACKS™

#2309098 - 72 x 2 fl. oz. per case. One pack per load.

Brisk® HE Laundry Detergent

Specially formulated for high-efficiency front and top loading washers. High-efficiency washers use less water than conventional washers. Brisk® HE Laundry Detergent utilizes a special low-foaming formula that contains no phosphates. Biodegradable and safe for septic tanks.

ONE PACKS™

#2307803 - 72 x 2 fl. oz. per case. Use one pack per load.

White Wings® Ultra Laundry Detergent

Low-foaming institutional grade detergent that cleans and brightens clothes with no phosphates. Use 1 pack per 16-20 pounds of laundry. For standard and HE machines.

ONE PACKS™

#2509937 - 72 x 1.5 wt. oz. per case. One pack per load.

#2507834 - 150 x 1.5 wt. oz. per case. One pack per load.

White Wings® Ultra Laundry Detergent

Low-foaming concentrated detergent that cleans, brightens, and freshens. Fresh lemon scent. Add packet to washer while filling with water. After water-soluble packet dissolves, add clothing. Use 1 water-soluble packet per 16-20 pounds of laundry. For standard and HE machines.

WATER FLAKES

#2702198 - 250 x 1.2 wt. oz. per pack. One water-soluble packet per load.

#2781308 - 2 x 50 x 1.2 wt. oz. per case. One water-soluble packet per load.

#2782500 - 250 x 1.2 wt. oz. per case. One water-soluble packet per load.

PRODUCT GUIDE CONTINUED

LAUNDRY Fabric Softeners

White Wings® Fabric Softener

Brightens and softens clothes as you wash. Reduces wrinkling and eliminates static cling, making it easier to unload, iron, and fold laundry and linens. Leaves towels and washcloths pleasingly soft. Keeps colors bright and won't dull your whites.

ONE PACKS™

#2372108 - 72 x 2 fl. oz. per case. One pack per load.

LAUNDRY Bleach

Powdered Laundry Bleach

A sodium perborate, chlorine-free laundry bleach that is safe for use on all fabrics. Effective in hot or cold water and with all detergents or soaps, including enzyme-based products.

ONE PACKS™

#2509944 - 72 x 1.5 wt. oz. per case. One pack per load.

DRAIN TREATMENTS Enzymes

Flowtron Enzyme Drain Treatment

An effective powder enzyme treatment for maintaining or unclogging drains and grease traps. Non-toxic, non-caustic, and non-acid. Dissolves every form of concealed waste matter, and allows nature to purify the entire drain system.

ONE PACKS™

#2508626 - 72 x 1 wt. oz. per case. One pack per drain.

STARTER KITS Facility Green Cleaning

GS 5-Point Green Cleaning System Starter Kit (Large)

Yields 130 gallons of end-use product.

A simple way to test the GS 5-Point Daily Cleaning System in one of your buildings, or an easy way to start your cleaning staff on the system.

ONE PACKS™

TOOL BOX

» A Framework for Compliance

Universal Trainer Card Sets* (English or Spanish)

Whether you are Team (Specialist) Cleaning or Zone Cleaning, the Stearns Universal Trainer laminated card sets provide your FTEs (Full-Time Employees) with a documented training program. With graphic representation of every task in building maintenance, card sets are organized by task setting. Special attention is given to bathroom maintenance, general safety, and bloodborne pathogen compliance. A unique feature of the Stearns Universal Trainer card sets is the visual relationships shown between the color of products and the surfaces they clean. The visual icons and color coding train workers without relying on the written word.

CIMS & CIMS-GB** Regulatory Compliance Guidebook

Stearns' Regulatory Compliance Guidebook For Cleaning Organizations is an unbelievable tool for companies striving to attain CIMS & CIMS-GB certification. This binder is a roadmap to compliance for many sections of the CIMS & CIMS-GB Standard. Including everything from Hazard Communication to Workplace Safety & Health, this binder provides a "CIMS Regulatory Compliance Editable Documents" CD that enables you to customize your documents on-screen for CIMS & CIMS-GB Certification.

Dispenser-Free Savings Evaluator summarizes your savings:

- See what trips to the blend-center are costing you.
- Enter your staff's routine, wages, and benefits.
- Calculate your time, FTEs, and dollar savings.

Workloading Wizard Software***

Know your cost. Be competitive. Make money. Quickly and accurately convert square footages, fixture counts, and production rates into a solid estimate with this fast and flexible workloading software. This intuitive program lets you try multiple scenarios to optimize crew utilization with confidence. Includes a Dispenser-Free Introductory PowerPoint and a Workloading Wizard Introductory PowerPoint.

Workloading Wizard gets you the answers:

- How many minutes will it take to complete a task? Clean an area?
- What happens to my cost when I add or subtract space?
- How do I choose the best cleaning method or maintenance plan?
- What will a wage increase do to my bottom line?
- How does a change in task frequency affect the cost?
- How many FTEs will be required?

Visit www.stearnspkg.com for more innovations.

* Complies with CIMS-GB requirements 3.6, 3.7, 4.1, 4.2, and 6.2.

** ISSA's Cleaning Industry Management Standard for Green Buildings.

*** Complies with CIMS-GB requirement 2.1.1 Workloading and 2.1.2 Bidding/Costing Process.

» 10 Measures of Success with Stearns

10 MEASURES OF SUCCESS

01. No Waste - Premeasured One Packs™, Water Flakes®, Quart'r Packs®, and Quik Tank make perfect solutions without over-mixing

02. Save Money - Pay for cleaning strength, not water or expensive dilution-control equipment

03. Easy Training - No special instructions, just add one color-coded packet to water and that's it

04. Less Storage - Store concentrated packs, not gallon containers or drums

05. Inventory Control - Packets are easily counted for inventory and budgeting

06. No Special Equipment - Eliminate complicated, trouble-prone dispensing machines

07. Product Selection - More than 60 products for the most complete premeasured line in the industry

08. Mix-and-Match Systems - Build your own systems for unique cleaning applications and facility requirements

09. Color Coding - Makes proper identification and staff training easier

10. Low Entry Cost - No costly set-up or capital investment means you can get started right away!
