

18% Scrubbable Floor Finish

18% Scrubbable Floor Finish
ST-1256, 1 gallon

18% Scrubbable Floor Finish is composed of the highest quality polymers. These polymers contain metal interlocks which enable floors to withstand repeated scrubbing without losing their brilliant gloss.

18% Scrubbable Floor Finish is non-yellowing and has exceptional wearing properties. Soil and heel mark resistance makes this an outstanding product for clean and bright appearing floors with a minimum of maintenance costs.

18% Scrubbable Floor Finish is detergent resistant and can be stripped with Non-Ammoniated Stripper, (ST-1255).

ST-No.	Size	Case Weight
ST-1256	4 x 1 gallon	37 pounds
ST-0611	5 gallon pail	44 pounds

Directions

Apply 18% Scrubbable Floor Finish with a clean string mop in a uniform coat. Allow 30 minutes to dry, then add second coat. One gallon will cover approximately 800 square feet.

This product is detergent resistant and may be maintained by damp mopping or light scrubbing. Recoat worn areas as needed.

Chemical Characteristics

Abrasive.....no
Corrosive.....no
