

Distribution Tray & Mixing Hose

Stearns' Distribution Tray makes it easy to distribute the proper number of pre-measured packets or pouches to workers for an entire shift. No need to return to the custodial closet for additional cleaning products. Just pour one pouch into water and you're ready to clean.

ST-No.	Description	Case Size	Case UPC No. Mfg. No. 071206	Each UPC No. Mfg. No. 071206	Case Weight
ST-267	Distribution Tray	6 per case	026705	102676	3 pounds
ST-9901	Mixing Hose	1 x 4.5 ft.	099013	N/A	0.5 pounds

The Mixing Hose makes Stearns' pre-measured program even more portable, reducing frequent trips to the custodial closet for water. Your cleaning staff can now mix new solutions at virtually any water source.
