

# Heavy Pine Floor Cleaner

*Heavy Pine Floor Cleaner* is specially compounded for cleaning and deodorizing heavily used concrete floors where grime, grease and other soil may be embedded.

*Heavy Pine Floor Cleaner* is formulated to turn green when in contact with water. This feature permits maintenance personnel to see where it has been applied.

*Heavy Pine Floor Cleaner* contains no soap, so there is no re-emulsifying when the floor is wet to make it slippery. Use *Heavy Pine Floor Cleaner* in factories, garages, filling stations, warehouses, waiting rooms, rest rooms and locker rooms.

ST-No.	Size	Case Weight
ST-551	18 pound pail	20 pounds
ST-552	50 pound drum	52 pounds
ST-553	100 pound drum	103 pounds

## Directions

1. Sweep concrete floor.
2. Dissolve *Heavy Pine Floor Cleaner* in warm water (use 3 to 4 ounces per gallon of water).
3. Apply liberally with a mop.
4. Allow to loosen soil for 10 to 15 minutes. Brush occasionally if soil is heavy.
5. Rinse with water and allow floor to dry.

## Chemical Characteristics

**Abrasive**.....no  
**Corrosive**.....no  
**Biodegradable**.....yes
